## GM's Shutdown Casts Pall On Auto Part Plants

by Kevin Niedermier

**Listen Now** [3 min 23 sec] [add to playlist](#)

Morning Edition, April 24, 2009 · GM's decision to shut down 13 assembly plants for up to 11 weeks this summer will disrupt far more than the lives of nearly 24,000 of its workers. It is rippling out to part suppliers.
