

Consultant

Public Policy and Economic Analysis Practice

Posted: June 2019

Anderson Economic Group, LLC is seeking an experienced and motivated individual to join their consulting practice as a Consultant in our Public Policy Practice area.

Responsibilities

Upon joining the firm, the right candidate will:

- Work with a team of highly motivated and skilled consultants and analysts.
- Manage annual projects that have become signature to the AEG brand.
- Bring in new prospects and projects to continue to grow the practice.

Specific Duties on Projects

- Apply economic reasoning and build or employ appropriate models to analyze public policy issues.
- Collect, analyze, and manage data using spreadsheets, statistical software, and databases.
- Write reports and prepare presentations for the public policy and economic analysis practice area.

Preferred Qualifications

The position requires excellent research, analytic, writing, and oral communication skills. Applicants will be expected to demonstrate a proven track record of applying these abilities with a high level of quality and accuracy. Applicants will also be expected to have an awareness of important economic and policy issues in Michigan and Illinois. Real-world experience with economic and fiscal impact modeling, as well as graduate course work in economics, public policy, or a related field is necessary.

Proficiency with standard office software (particularly Excel) is required. Experience with analytical tools such as databases, mathematical (e.g. Matlab) or statistical software (e.g. Stata), and professional layout or document software (e.g. Adobe Framemaker) is necessary for success in this role.

Work Location and Compensation

The available position is at our headquarters in East Lansing, Michigan. Compensation includes a competitive salary, bonus, and a range of benefits including medical insurance and a retirement plan. This position reports to the Public Policy practice area manager and will primarily be assigned to project teams in the Public Policy practice area. Based on interest and need, this position may be occasionally be assigned to projects in our other practice areas, Strategy and Business Valuation (SBV) and Market and Industry Analysis (MIA).

About AEG
